hyuda.

Unfortunately this questionnaire came back after EV4 was printed ! Thanks to Midge for taking the time to answer at least some of the questions, (unfortunately the ones on Warren's departure, C.R.Mackintosh, the Cheikains, Ultravox Nites at The Flag, the band's popularity, and various others, were missed out due to lack of time), and to Lynda for making it possible. Thanks very much ! As it is impossible to get this supplement to everyone who already has a copy of EV4, it will be repeated in EV5. Cheers !

1. Who will be in the line-up for the "supergroup" in this year's two Prince's Trust concerts ?

Eric Clapton, Mike Lindup (Level 42), Bryan Adams, Jools Holland, Mark Brezezicki (Big Country).

2. Do you plan to carry on with your solo career ?

Yes, the next project is a solo album after Prince's Trust.

3. Do you have any plans for the film to which you have the recording rights, and will you yourself be acting in it ?

No. No plans. Myself and Danny Mitchell (Messengers) wrote the theme, but that's as far as our involvement goes.

4. On a more domestic note, how do you feel about being a father, and who changes the nappies ?!

Ecstatic !

We have a nanny, but we both take turns.

5. Your daughter has the very unusual name of Molly Decima, who chose it and is there any particular reason for this name ?

We chose the name together. Decima is after my manager, Chris Morrison's, mother.

6. Your association with the UIS seems to have cooled somewhat. Are you really so busy that you no longer have the time to give them information to pass on to us ?

Unfortunately, there are not enough hours in the day ! However, we do try to be as co-operative as we can.

7. Do you ever re-asses your music due to comments / opinions from your fans ?

It's always disconcerting to hear criticism whether from fans or reviews. However, for every bad review or critical letter there's usually at least one good one ! (Fortunately most of our fans are very loyal).

8. Do you think that All In One Day will do well in the British charts, and does it happen to be about Live Aid ?

All In One Day was inspired by Live Aid, and we shall have to see regarding the charts !

Thanks to Gillian for the ideas for three of the questions on the questionnaire, (sorry they didn't get answered !), to Annie for the idea for Q.7, and to Joan (Reed) for helping to totally reword everything !
